Riferimento al Quadro d'Unione della Carta Topografica Generale 1:25.000

The figure contains two inset maps. The top map shows the Emilia-Romagna region divided into 10 numbered squares, with square 2 highlighted in grey to indicate the location of Cento. The bottom map, titled 'LIMITI AMMINISTRATIVI', shows the administrative boundaries of the Province of Ferrara (185) and its neighbors: Province of Rovigo to the north, and municipalities of Bondeno, Vigarano, Cento, Mirabello, S. Agostino, and Poggio Renatico to the south and west. The map is oriented with North (NO) at the top, South (SO) at the bottom, East (NE) to the right, and West (SE) to the left.

The main map is a detailed topographic representation of the Cento area. It features a grey background with a fine grid of lines representing the terrain. Overlaid on this are several colored areas and lines: a red line outlines the municipal boundary; a blue line indicates the primary ecological corridor; a yellow line indicates the secondary ecological corridor; green areas represent existing ecological nodes, with some hatched green areas indicating project nodes; and various other colored areas represent existing and proposed stepping stones and special areas. The map also shows the surrounding landscape, including fields, forests, and urban areas.
