C.T.R	 <p>The image is a cadastral map (C.T.R) showing a network of land parcels. Each parcel is outlined with a dashed line and contains a numerical value, likely representing area or a specific identifier. The values range from 0.03 to 0.88. Two parcels are specifically labeled: 'il Santissimo' at the top and 'Ca' Rambulac' at the bottom. A small blue-shaded area is visible within one of the parcels, possibly indicating a water feature or a specific site of interest. The map also shows some linear features like roads or paths.</p>
FOTO	 <p>The photograph shows a natural wetland or pond area. The water is calm and reflects the surrounding greenery. In the foreground, there are some reeds and other aquatic plants. The background is filled with a dense line of trees, including what appears to be a willow tree. The sky is overcast. In the bottom right corner of the photo, there is a date stamp: '10.23.2004'.</p>
