<b>C.T.R</b>	 <p>The map shows a network of paths and roads with various elevation points. Key labels include 'Concilio' and 'Maccaferrina'. Elevation values range from 0.84 to 1.36. A small blue circle is marked on the map near the 'Concilio' area.</p>
<b>FOTO</b>	 <p>The photograph shows a wide, muddy channel with some water, likely the result of excavation. In the background, there are several buildings, including a large brick structure under construction. A date stamp '10.29.2004' is visible in the bottom right corner of the photo.</p>
